

FOOD FROM HOME

Book Suggestions: Creating an Edible Garden

The Little Veggie Patch Co: **An A-Z Guide to Growing Food in Small Spaces** Fabian Capomolla and Mat Pember

This beginner-friendly guide shows how simple edible gardening can be! It covers topics such as soil, watering, composting, worm farms, saving seeds and more.

DIY Garden Project: **Step-by-Step Activities for Edible Gardening and Backyard Fun** Mat Pember and Dillon Reardon

This easy-to-use guide features over 30 activities, an A-Z of plant varieties and a detailed pest and disease section. Chapters include garden basics, projects for kids, vertical gardening, using recycled materials and more.

FOOD FROM HOME

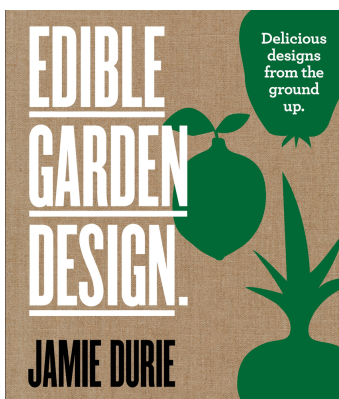

Book suggestions: Creating an edible garden

Kitchen Garden Revival

Nicole Burke

This book shows you how to design and grow a beautiful, productive, small-scale vegetable garden. You will learn which plants grow best in kitchen gardens and get season-by-season advice on planting, tending, and harvesting.

Edible Garden Design

Jamie Durie

This book shows you how to create productive edible gardens that look great. You will learn how to include edible plants into even the smallest outdoor spaces.
